

The City of Chicopee has transitioned to daily updates as the COVID-19 situation has warranted a centralized/increase in the distribution of information. These updates are intended to keep all informed of the actions being taken to reduce the impacts of Coronavirus on the community.

On Wednesday, June 3, 2020, the following City of Chicopee Departments has reported:

Mayor's Office

- Massachusetts reports for June 1st indicate a decline in coronavirus cases – these results are from both antibody molecular testing
 - 50 Deaths
 - 358 New Reported Cases
 - 101,163 Total cases
 - 605,771 Total Patients Tested by Molecular Tests
 - 46,565 Total Patients Tested by Antibody Tests
- Governor reported 189 deaths in the state May 31st with 3840 open cases and 100,000 total tests.

Health Department

- We had 1 new case reported and so far only one today. There are 119 open cases and 250 recovered, 42 N/A and still increase from the 6 deaths
- Continued special tracking of the 3 patients that have been hospitalized due to virus

Police Department

- Status quo on department and services
- Working on guidance to restaurant businesses reopening – working with the newly formed team to prepare guidance for outdoor dining options
 - Restaurants are submitting plans with temporary fences and feel we need barriers to stop vehicles from hitting outdoor diners

Fire Department

- The Department is status quo with staffing

- Watching states numbers and agree with mayor on the numbers (300s) indicating that we appear to be in a decline and are helping with improve the psychological outlook.
- Assisting with the guidance on the reopening of the restaurant with possible outdoor dining.
 - Agree with barriers and will have fire prevention staff work with group.
 - Only issue may be outdoor cooking of food at restaurants

Emergency Management

- We are status quo continuing with services and support
- Numbers continue to show a <1% infection rate and tracking to see if reopening increase rate of infection and we are trending downward
- We are working with a volunteer for more support for maximizing the financial reimbursement through guidance on the reimbursement through governmental grants.

OHSD Safety

- Delivering PPE, gloves, masks and sanitizer and other needs to departments as they prepare for reopening to the public.

COA

- Preparing for Friday and Weekend meal delivery
 - We are scheduled for 282 meals
 - 100+ meals for the weekend
- Reviewing the Massachusetts guidance on reopening
 - Emergency transportation only
 - We are creating a reopening plan
- Police continue to help with wellness checks

DPW

- One (asymptomatic) staff member has tested positive for coronavirus antibodies
 - Contact with three staff members
 - Two are going to Big E testing site
 - One is going to Med Express for testing
 - Results for all employees expected within with 3-5 days
 - All 4 staff members are in quarantine until results clear them for work

Mayor, “Collective Success Depends on Everyone. I applaud everything my staff has done!”
