

The City of Chicopee has transitioned to daily updates as the COVID-19 situation has warranted a centralized/increase in the distribution of information. These updates are intended to keep all informed of the actions being taken to reduce the impacts of Coronavirus on the community.

On Wednesday, June 24, 2020, the following City of Chicopee Departments has reported:

#### **Mayor's Office**

- There has been an uptick in hospitalizations by about 20
- The state reported continued progress in reducing infections;
  - Testing completed were 8,200
  - 229 new cases were reported
  - 16 deaths
- New England as a region is trending in the right direction especially Connecticut and Massachusetts and Massachusetts has the lowest virus transmission rate in the USA
- Revenue from the end of the 2<sup>nd</sup> half looks good and close to meeting projections. Worry is 1<sup>st</sup> half receipts in December as people have not had jobs and income since March and may have exhausted savings

#### **Health Department**

- We had one new cases reported today and two yesterday. Chicopee has 52 cases open, 343 recovered and 45 N/A. We have 10 deaths
- The five school nurses will help with municipal buildings taking temperatures at the door

#### **Police Department**

- Status quo on services and staffing. The one officer who had tested positive has had two negative tests and will return to work
- Indoor restaurants are being inspected

## **Fire Department**

- Status quo with staffing and supplies
- Working with Health and PD on inspections of facilities as they open to ensure fire safety

## **Emergency Management**

- Services continue and status is good

## **OSHA Safety**

- Status quo on services and staffing
- Continuing to provide PPE

## **COA**

- Status Quo on services and staffing with meals this week
- Zoom classes are under way
- Received \$25,000 in grant funds for meals

## **DPW**

- Status quo with staffing and services

## **Veterans**

- Status quo on staffing and services

## **Treasurer's Office**

- Reimbursements need to be prepared for submission to FEMA and MEMA

## **School Department**

- Preparing for 12 week session in the Fall
- Working on masks and PPE for staff and students
- Should receive further guidance on schools next week
