

The City of Chicopee has transitioned to daily updates as the COVID-19 situation has warranted a centralized/increase in the distribution of information. These updates are intended to keep all informed of the actions being taken to reduce the impacts of Coronavirus on the community.

On Monday, July 6, 2020, the following City of Chicopee Departments has reported:

#### **Mayor's Office**

- We are starting phase 3 today
- MA reported continued progress in reducing infections;
  - Testing completed were over 10,000
  - 136 new cases were reported
  - 11 deaths yesterday
  - There are 109,974 cases to date and 8,183 deaths to date
- Massachusetts continues to trend in the right direction for COVID-19
- There were mosquitoes identified in Orange MA with triple EEE and expected to be a difficult year
- Need to continue to be vigilant in reducing the spread of the virus
- No fireworks and families appear to have limited gatherings with no incidents reported

#### **Health**

- Chicopee has 57 open cases
  - Only two new cases from Friday, three on Saturday and two on Sunday. These are all cases where family members in the same household have gotten the disease from a family member in the home
  - We have 360 recovered cases and 45 N/A
  - Still at 10 deaths
- For triple EEE we need to remind residents to remove standing water from their properties

### **Police Department**

- Status quo on services and staffing.
- Mourning the loss of a recently retired officer who was well liked and friend to many in the department and community

### **Fire Department**

- Status quo with staffing and supplies

### **Emergency Management**

- Services continue and status is good
- Massachusetts and Connecticut have good numbers and continue to trend in the right direction
- Hospitals are making progress and only two are using surge capacity with none at full capacity

### **OSHA Safety**

- Status quo on services and staffing

### **COA**

- Status Quo on services and staffing with meals this week
