

The City of Chicopee has transitioned to daily updates as the COVID-19 situation has warranted a centralized/increase in the distribution of information. These updates are intended to keep all informed of the actions being taken to reduce the impacts of Coronavirus on the community.

On Friday, July 10, 2020, the following City of Chicopee Departments has reported:

Mayor's Office

- MA reported progress in reducing infections;
 - Testing completed were over 7,000
 - 177 new cases were reported which is slightly higher than previous days and they are watching these numbers
 - There were 25 deaths reported yesterday
- Massachusetts is showing stable numbers and continues asking for public cooperation with COVID-19 protocols
- The state reported the first case of West Nile Virus and have mosquitoes that were found to be carrying the Triple E virus. The state is asking residents to be aware and take steps to limit exposure to mosquito borne viruses by wearing long sleeve shirts and pants and draining any standing water

Health

- Chicopee has 44 open cases
 - One new cases were reported today, three yesterday but all the same family
 - We have 378 recovered cases and 45 N/A
 - Still at 10 deaths
- There was an outbreak in Westfield at a warehouse supply company and we had six individuals employed there who all tested positive. Our new cases are family members of those six employees

Police Department

- Status quo on services and staffing.
- Conducting inspections of establishments

Fire Department

- Status quo with staffing and supplies
- Have adequate PPE

Emergency Management

- Services continue and status is good
- Working on FEMA reimbursements and state process with Treasurer and Safety Director
 - Will determine FEMA project manager for Chicopee
 - Meeting next week to get more details

OSHA Safety

- Status quo on services and staffing

COA

- Status Quo on services and staffing
- Received masks and sanitizer from Safety Director
- Applied and hopeful to receive a grant from Community Foundation for food
