

The City of Chicopee has transitioned to daily updates as the COVID-19 situation has warranted a centralized/increase in the distribution of information. These updates are intended to keep all informed of the actions being taken to reduce the impacts of Coronavirus on the community.

On Friday, September 18, 2020, the following City of Chicopee Departments have reported:

Mayor's Office

- Schools have approved high school sports participation with modifications and safe. Students appear to be enjoying both in person and remote learning and adapting to new protocols
- The state COVID numbers are 419 new cases, 15 new deaths, and 3.2 million tests

Health

- We have 27 active cases with three case reported yesterday but they were all in a household. Of the 27 active cases eight are in households
- We are at 17 deaths and have 533 recovered cases

Police Department

- Status quo on services and staffing
- We had two officers exposed to COVID and testing of both were negative and they have returned to work

Fire Department

- Status quo on services and staffing

Emergency Management

- Services and staffing continuing

Safety

- Status Quo on services and staffing

COA

- Status Quo on services and staffing
- Working on meal distribution for today with over 300 meals served per day

DPW

- Status quo on staffing and services
- Working on Greenwood Terrace gas connection and removal of an old dry well discovered under roadway
