

Mayor Vieau - COVID-19 Situational Update

We are in this together!

The City of Chicopee has transitioned to daily updates as the COVID-19 situation has warranted a centralized/increase in the distribution of information. These updates are intended to keep all informed of the actions being taken to reduce the impacts of Coronavirus on the community.

On Friday, September 25, 2020, the following City of Chicopee Departments have reported:

Mayor's Office

- The state COVID numbers are 445 new cases, 15 new deaths, and 3.6 million tests
- These numbers show an increase in cases which is concerning and we must continue to keep our numbers in check to keep schools open and residents safe
- Thanks to the first responders, CELD, DPW, Emergency Management and School Department for their teamwork yesterday at the Summer Street incident

Health

- We have 23 active cases with one case reported yesterday
- We are at 17 deaths, have 550 recovered cases and 66 are N/A

Police Department

- Status quo on services and staffing

Fire Department

- Status quo on services and staffing

Emergency Management

- Services and staffing continuing
- There was a spike in cases in Connecticut so travel may be an issue. Connecticut is red

Safety
